Marine Corps - Law Enforcement Foundation

OUR MISSION

The Marine Corps-Law Enforcement Foundation (MC-LEF) provides educational assistance to the children of fallen United States Marines and federal law enforcement personnel. Since our founding in 1995, MC-LEF has awarded over \$73 million in scholarships and other humanitarian assistance, and supported over 3,500 children.

MC-LEF relies on the commitment of volunteers and generous donors across the country, who organize events, provide financial support and recruit others to our cause. With only one part-time employee, MC-LEF is sustained by a network of people who believe that the brave men and women who protect our country and our communities deserve to have their families protected as well.

Thanks to our generous donors, MC-LEF is currently able to place a \$30,000 savings bond in a scholarship account for every child who loses a parent serving in the United States Marine Corps or any federal law enforcement agency. In recent years, we have expanded our mission to provide medical equipment and financial support to catastrophically wounded Marines, as well as financial support for mentally or physically disabled children of active duty Marines. In the past, MC-LEF has also aided the children of other military personnel who perished in terrorist attacks and in the wars in Iraq and Afghanistan.

MC-LEF is an approved IRS 501 (c) 3 organization that has been recognized for its excellence and efficiency by the Independent Charities of America. 98% all donations to MC-LEF go directly to fund our mission.

Although MC-LEF is immensely proud of our work to date, there is still much to be done to support the families of America's Marines and federal law enforcement personnel. Please visit www.mc-lef.org to learn more and find out how you can help.

18th Annual Philadelphia

MARINE CORPS-LAW ENFORCEMENT FOUNDATION

Gala

By Mike Wallace

October 15th, 2016, over 550 people attended as the Philadelphia Chapter of the Marine Corps - Law Enforcement Foundation celebrated our 18th annual Gala at the Sugarhouse Casino in Philadelphia.

Starting with an informal gathering at the Union League Golf Course at Torresdale, on Friday morning and later that evening at the Malta Boat Club on the Schuylkill River on boat house row for cocktails and a barbecue for the committee and honored guests.

Saturday morning Medal of Honor Recipients, Barney Barnum, Brian Thacker and Mike Thornton were driven with Police Escort out to the hallowed grounds of the Medal of Honor Grove in Valley Forge, Pennsylvania. It began with a brunch provided by our 2016 Semper Fi Awardee and MC-LEF benefactor John Heenan and then on to view the magnificent Grove dedicated to all MOH recipients. The Grove contains individual trees planted in honor of every recipient, in a section dedicated to each of their home states. It was a solemn and moving trek across the beautiful grounds as each MOH recipient viewed his own particular tree and home State, and paid homage to their fallen brothers.

Saturday evening began with a cocktail party in the hall outside the ballroom where the guests mingled with all the military honorees and guests of honor before entering the magnificent ballroom followed by introductions, presentations and dinner.

Commencing with the Presentation of the Colors and the introduction of the Medal of Honor Recipients and followed by the General's Call in honor of General Joseph F. Dunford, Jr. USMC, Chairman of the Joint Chiefs of Staff.

Introduced by Committee member Jim Kirlin, USMC, our Eagle, Globe and Anchor Awardee, Silver Star

Jim Kirlin presenting EGA Award to Ralph Galati, USAF and POW for his outstanding work on behalf of all veterans.

recipient Ralph Galati, Air Force veteran and POW, as well as Director of Veteran Services at St. Joseph University gave an outstanding and poignant speech of his experiences in the Air force and as a prisoner of war. Playing down his own heroics in Vietnam he concluded his remarks by thanking all the Marines who took part in attempted rescues, by saying "whenever I heard the noise and explosions outside, I knew the Marines were there and we were not forgotten."

Our next presentation was the introduction by Judge James Lynn, of John C. Heenan, USMC, CEO of Fairlane Management Corporation. In a world of too few givers and too

many takers, Mr. Heenan has shown throughout his life that he is a giver. For years a generous benefactor of MC-LEF and the Marine Corps Scholarship Foundation and the Freedoms Foundation in Valley Forge, as well as serving on the Marine Leagues Funeral Detachment. In addition to which he and his wife Bernadette, have funded a scholarship program that focuses on training and educating young men and woman in the trades. Putting his own accomplishments aside he urged all present not to forget our veterans and 'the kids' left behind.

Above: Tony Boyle and Judge Jim Lynn presenting Semper Fi award to John Heenan, Marine and MC-LEF benefactor, for continuing service and dedication to his beloved Marine Corps.

Semper Fi Awardee John Heenan.

The speeches were concluded by the presentation by retired Lt. General Ronald Coleman, USMC, of our Military Guest of Honor, General Joseph F. Dunford, Jr. USMC, Chairman of the Joint Chiefs of Staff. General Dunford spoke eloquently of the many challenges, past, present and future facing our military services and our allies. While the tasks are many he assured all present that the American military is prepared to face each and every one with dedication. He spoke with great deference to the complex and varied aims of our military and the skill and intelligence with which they meet each new task in every part of the world.

Lt. Gen. Ronald Coleman presenting Military Guest of Honor, Gen Joseph H. Dunford, Chairman of Joint Chiefs.

General Dunford spent a considerable amount of time acknowledging the work of the Marine Corps - Law Enforcement Foundation, tracing it's history and his personal experiences with its's work and he thanked all present for their work and generosity in helping the many children of our fallen Marines. To emphasize and put a face on the work of the Foundation, General Dunford introduced Josh and

Jennifer Gable, two of the greatest kids you could ever meet, who were past recipients of MC-LEF scholarships.

It is with deep thanks from our entire committee that we thank General Dunford and his wife Ellyn one of the busiest couples in the world for taking time to be with us.

*35th Annual John Basilone
Memorial Parade*

Crowd Honors War Hero

By Dave Hutchinson
NJ Advance Media for NJ.com

- The borough's favorite son, John Basilone, would have celebrated his 100th birthday on Nov. 4, 2016 and these many years after his death the accolades keep coming for his hero-

ism during World War II.

Navy Secretary Ray Mabus has announced that a destroyer is being named for "Manila John" Basilone and on Sunday, September 18th the borough will hold the 35th Annual John Basilone Memorial Parade, a half-mile march through the borough towards the iconic John Basilone statue.

Basilone, whose story was memorialized by HBO's 2010 television mini-series "The Pacific," became a national hero during World War II by leading more than

a dozen gunners against thousands of Japanese soldiers at Guadalcanal in 1942.

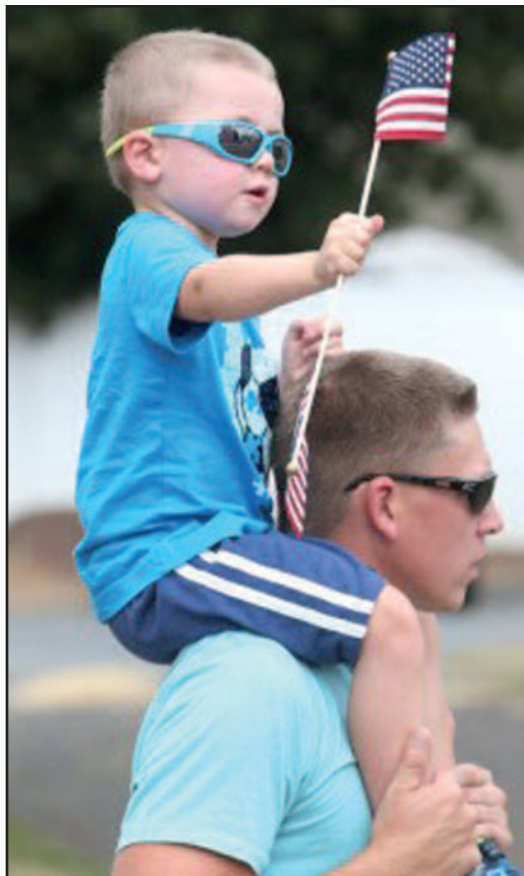

Basilone was the first enlisted Marine in World War II to be awarded the Congressional Medal of Honor. He then returned to combat in 1945 and was killed in action on Feb. 19 at Iwo Jima at the age of 28. He is buried at Arlington National Cemetery.

Gunnery Sgt. John Basilone, who was born in Buffalo, N.Y. but raised in Raritan, was also awarded the Navy Cross and the Purple Heart for his heroism in World War II.

The Arleigh Burke-class destroyer will be the second ship named for Basilone. The first ship, the USS Basilone, was decommissioned in 1977. The new 509-foot destroyer is expected to enter the Navy fleet in 2022.

"This is a special year for John Basilone," said John Pacifico, 89, an Army command engineer veteran who has been chairman of the parade for the past 29 years.

"John is a very unique hero in our history because not only did he receive the Medal of Honor, he returned to battle and was killed.

"We have to keep his memory alive. He's the epitome of all heroes who have given their lives defending our freedom and our way of life."

The parade, attracted a crowd of 5,000 or more and featured more than 150 units, including several young military organizations, veterans' organizations, floats, cyclist, twirlers, Marine detachments, military vehicles, civic and patriotic groups and approximately two dozen marching bands.

"We want to get the young people involved," said Pacifico. "This parade is a way of reminding people what our country is about and what people have sacrificed."

Retired Lt. General Richard C. Zilmer, who was the Deputy Commandant, Manpower and Reserve Affairs at Quantico, Va, was the guest speaker.

The Grand Marshall of this year's parade was World War II Air Force bombardier/gunner John Sturges, 98, a Flemington native who now lives in Somerset with his wife of 61 years, Bella.

During the war, he was assigned to the Ninth Air Force -322nd Bombardment Group and flew 65 missions, including one on D-Day, June 6, 1944 in which his unit bombed the German's coastal defensive positions.

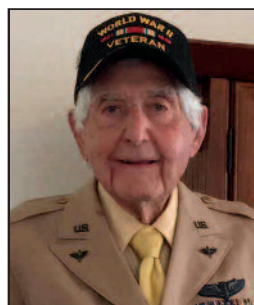

The records of his missions flown from April to August 1944 can be found at <http://www.raritan-online.com/sturges-missions-1944-apr-aug.htm>.

For this year's parade, the Raritan Historic and Cultural Committee hung banners from streetlights on Somerset Street honoring borough residents who died in World War II.

Hometown pride is the secret to the parade's longevity. Pacifico said approximately 1,000 men and women from the Borough of Raritan, which has a population of less than 5,000, served in World War II. Twenty-five died, he said.

Along with the parade each year, Raritan celebrates it's hometown hero with a commemorative concert on the evening before the parade and on the morning of the parade a special Memorial Mass is celebrated at St. Ann Church and The Raritan Public Library opens to display a special Basilone exhibit for viewing before the parade.

6th Annual Cpl. Marc Ryan 5K Run/Walk Benefits MC-LEF *by Lisa Spengler*

All the organizers, volunteers, runners and walkers who spend a Saturday morning in November in Gloucester City, New Jersey, have one thing in common...they are all there to remember the life and sacrifice of Marc Ryan. There is no greater tribute than having a record 450 people gather together to share their memories and love while benefitting the children of our fallen heroes, like Marc.

The 2016 5K Run/Walk raised over \$11,000. Since inception, this event has provided \$53,700 for MC-LEF. These proceeds, as well as receipts from previous runs, were used to provide a scholarship in Marc's name.

It was 15 November 2004, that Cpl. Marc Ryan made the ultimate sacrifice during this, his fifth combat tour in the Battle for Ramadi, where it is said that the heaviest urban combat took place since the Battle for Hue City in Vietnam in 1968. Shortly after the terror attacks of 9-11-01, Marc served in Afghanistan completing a full deployment in support of Operation Enduring Freedom. After a short time back in the States, he deployed to Iraq in support of Operation Iraqi Freedom. After returning from that deployment, Cpl. Ryan contemplated returning to civilian life, but his dedication to his fellow Marines kept him in the Corps and he deployed again to Iraq with 2/5, this time making the ultimate sacrifice.

The Atlantic City committee of the Marine Corps-Law Enforcement Foundation is extremely grateful to the Ryan family and all the event organizers for their dedication and continued support, especially Robert and Cheryl Morrell, who continue to give their heart and soul each year to honor Marc and his family.

Presentation of the Cpl. Marc T. Ryan Scholarship Special Fund

by Lisa Spengler

To volunteer for one of the most giving and selfless organizations, whose sole purpose is to provide for the children of our Country's heroes, is in itself one of my life's greatest blessings. And then added to that along the way is to meet and befriend Linda and Tom Ryan. Linda and Tom with daughter Lauren and son Chris are a Gold Star Family. On 15 November 2004, their son and brother Cpl. Marc Ryan made the ultimate sacrifice while serving his Country.

In 2011, the Ryan family, along with MC-LEF Atlantic City committee member Robert Morrell and his wife Cheryl, created the Cpl. Marc T. Ryan 5K Run/Walk. All proceeds benefitted MC-LEF. Their tireless and unending efforts to continue Marc's legacy through this run/walk and to benefit those children left behind has been beyond inspiring.

It was as a result of their efforts that on June 27, 2015, the Cpl. Marc T. Ryan Scholarship Special Fund was presented to a widow of a Marine Major who tragically passed away on active duty and left behind a three year old son. The Scholarship presentation took place at the Iwo Jima Monument located in Arlington, Virginia. The Gold Star Ryan family made the presentation to Erin Quay, widow of Major Joshua Kirk, with a scholarship bond for their son

It is times like this that there are no words needed between a mother and son - Erin Quay and Aiden Kirk.

Aedan Kirk. The day of the presentation, Saturday June 27 was the one year anniversary of Major Kirks tragic passing.

This is what the Marine Corps- Law Enforcement Foundation is all about. It is about the 98 cents on a dollar that goes to the children. It is about the dedication of the volunteers who ask for nothing but to see that the children of our heroes are provided scholarship opportunities for their education. It is about using only the words THANK YOU to express gratitude to all those who have supported and participated in the Cpl. Marc T. Ryan/MC-LEF 5K Run since 2011.

So on behalf of the children we serve, and on behalf of the Gold Star Ryan family.....

Thank You and Semper Fidelis.

25th Annual Long Island Golf Classic

submitted by Jerry Griffen

The 25th Annual Long Island Golf Classic was held at Indian Hills Golf Club in Northport, New York on September 26, 2016. The Committee received outstanding assistance from members of Local 3 of the International Brotherhood of Electrical Workers and suppliers and contractors in the electrical industry.

Special thanks go to Al Samilenko, Mark Hansen and the Gold Sponsors, Fred Geller Electric, Turner Construction, Weltman Lighting, Chelsea Lighting, Signature Bank, Cooper Electric and Lahey Printing and Midtown Electric Supply, a Silver Sponsor.

Festivities began with a Flag Raising Ceremony, thanks to an outstanding performance by USMC First District and music by the Sword of Light Pipers of the IBEW. Golf followed after breakfast, with 116 in attendance, almost all golfers.

Post golf activities included a social hour featuring an open bar with hors-d'oeuvres, music by the Sword of Light pipers, a buffet dinner, awarding of prizes and a robust question and answer period led by MC-LEF Chairman, Jim Kallstrom , primarily focusing on the then upcoming Presidential election and the issues involving law enforcement's role in that election.

Raffle prizes included prime seats for the Mets and Yankees, Jet Blue Airline tickets, any place it flies, a Las Vegas weekend for two and dinner for two at the MC-LEF Gala at Cipriani's in New York City.

Also in the fall of 2016 Local 3 of the IBEW sponsored a golf outing at the Sebonack Golf Club, in Southampton NY. Sebonack is a nationally acclaimed course where prestigious national golf tournaments have been played. Proceeds of that Outing were donated to our Foundation. In attendance were Ed Boran and Jerry Griffen, officers of MC-LEF. Golf was followed by cocktails and dinner at the cultural center of Local 3, near-by to Sebonack .

Dennis Woody, Esquire, Counsel

Marine Corp-Law Enforcement Foundation Philadelphia Chapter

Dear Mr. Wallace:

I am Trustee of the above named Trust. My counsel and colleague, Dennis Woody, Esquire, and I are working together to fulfill the intentions of a Trust established by John G. Kramer by way of his will. Mr. Kramer died in January 2014. His wife, Ruth, had passed away in 2000. Mr. Kramer had been a resident of Granite Farms Estates here in Delaware County for approximately 25 years prior to his death at the age of 98 years.

Mr. Kramer was a proud veteran. He served throughout World War II. Mr. Kramer served his country as a fighting soldier of the 20th Armored Division that crossed France and Germany at the close of World War II. He talked often of marching through the length of Europe in battle and thereby personally witnessing the commitment and sacrifices made by his fellow soldiers for an extended period of time. He was determined that upon his death, he would remember people as best he could who do things for other people.

During their life times John and Ruth Kramer were typical of the honest neighbors and fellow workers that make our country special. Ruth was a vibrant and friendly member of her community in Woodstown, South New Jersey; and John forever her husband, was an electrician and employee of the Atlantic City Electric Company power station in Deepwater, New Jersey. The Kramers came to Granite Farms in Delaware County, Pennsylvania in their senior years and resided here for approximately 25 years.

In his will, Mr. Kramer left the residue of his estate in trust for charitable purposes. He indicated that he wanted to benefit two classes of beneficiaries but with the provision that they must be qualified charitable organizations. We have already received your 501 (c) (3) certification letter from the IRS verifying that your organization is in fact an approved charitable organization.

The two classes of beneficiaries Mr. Kramer wanted to benefit are first, those entities which care for the needs of people with special needs or disabilities. The second type of entities are those which help preserve liberty, freedom and citizenship by service to their community and country.

This Trust is intended to make various distributions for a period of up to 10 years. We are presently making our initial distributions and your organization was selected as one of those who should receive a bequest in 2015. On behalf of the memory of John G. and Ruth K. Kramer the Trustee solemnly makes this donation posthumously from Mr. Kramer's estate.

Thank you for all the kind, generous things you and your organization do on a daily basis for the people you serve.

Sincerely,
Douglas C. Roger

and Ruth K. Kramer, a loving, South Jersey remarkable generation, who entrusted their lives to me, solemnly make this donation today. I recognize your commitment to our military community.

It is special in that quiet way of being just good neighbors and good citizens, that you have made our country the best place to live. Your community in Woodstown, South New Jersey, electrician and employee of the Atlantic City Electric Company, they came to live in Delaware County for a charitable purpose they have endowed their lives to the best values and those that help people.

John and Ruth Kramer and for their service as an infantryman with the 20th Armored Division during World War II. He talked often of marching through the length of Europe personally witnessing the commitment and sacrifices made by his fellow soldiers for an extended period of time.

A LETTER TO MC-LEF

Jan 5, 2017

Dear MC-LEF,

I would like to thank your foundation for the generous scholarship in memory of my father, 2nd Lt Frank Stecco. I am currently a senior at West Virginia University and will graduate in May of 2017 with a degree in Management/Entrepreneurship. My goal is to one day run my own business and be an entrepreneur. The scholarship had eased the financial burden on my family and I appreciate that MC-LEF has honored my father and remembered our family in such a kind way.

Thank you,
Nick Stecco

MC-LEF COMMITMENT

Members of the Marine Corps-Law Enforcement Foundation believe that our nation's most precious resource is its youth. Their educational development is of primary importance in their becoming meaningful members of their families and of society.

Mentally or physically disabled children of the Marine Corps family may receive financial aid for medical equipment or tutoring. Scholarship bonds are provided for children of Marines who died while on active duty.

Scholarship bonds are also provided for children of Federal law enforcement personnel who died while on active duty. Special circumstances may be considered for humanitarian, death or medical cases.

Since it was founded in 1995, the Marine Corps-Law Enforcement Foundation has provided millions of dollars for the children we serve. We try to make the world a better place for the children.

As shown on the left, the Marine Corp Emblem is on one side and the Puller family crest is on the other side. Samuel Puller is the brother of General “Chesty” Puller. Lt. Col. Samuel Puller became the CO of the 1st Raider Bn in December, 1943. A little over a month later, they were disbanded and he became the XO of the 4th Marines. He was KIA by a sniper on Guam 27 July, 1944 and is buried in the Punchbowl, Hawaii.

“The Independent Charities Seal of Excellence (Best of the CFC) is awarded to the members of Independent Charities of America and Local Independent Charities of America that have, upon rigorous independent review, been able to certify, document, and demonstrate on an annual basis that they meet the highest standards of public accountability, program effectiveness, and cost effectiveness. These standards include those required by the U.S. Government for inclusion in the Combined Federal Campaign, probably the most exclusive fund drive in the world. Of the 1,000,000 charities operating in U.S. today, it is estimated that fewer than 50,000, or 5 percent, meet or exceed these standards, and of those, fewer than 2,000 have been awarded this Seal.”

5th ANNUAL BRESCOME BARTON CHARITY GOLF OUTING

SEPTEMBER 19TH, 2016

To benefit the
Marine Corps - Law Enforcement Foundation

Monday, September 19th dawned grey, gloomy, chilly and raining – not the best conditions for the Brescome Barton 5th Annual Charity golf outing. Nevertheless, the amazing Brescome family was up for the day! Our MC-LEF crew of Sue Boulhosa, Leslie Sepe and Diane Veza arrived at 8:30 a.m. to find everything ready to go. Ms. Mia Ginter, Mrs. Paula Demery and, of course, Mr. Gene Sepe had everything ready to go. The golf pros and staff at the New Haven Country Club were all set.

There was quite a spread of bacon, egg and cheese sandwiches, smoothies, fruit and assorted breads to start the day.

The golfers began to roll in. They all had smiles on their faces and shrugged off the lousy weather. The New Haven I&I staff sent a Color Guard - Sgt Rothstein, Sgt Colombia, Sgt Atuatasi, and Cpl Hecht arrived – sharp and looking great. After their presentation of the Colors, Gene Sepe addressed the golfers and thanked everyone for coming out to support MC-LEF. The golf pro took the microphone and explained that the day's outing would be played as a scramble. He explained the rules and that if the weather got worse, a horn would be blown to signal that all players should return to the clubhouse immediately.

The rain was misting during the presentation of the Colors, but not long after the golfers hit the course, the skies opened up.

The New Haven Country Club has a beautiful, huge porch where the workers were very comfortably protected from the weather while enjoying the view. About an hour into the play, it was decided to signal the golfers to come on in. The horn was blown and some very wet – but still smiling – golfers returned to the club for an early lunch in the grill. The

staff at NHCC worked quickly to accommodate the shift in schedule. There were lots of laughs and conversations through the afternoon. Dinner was also moved up. Again, the NHCC staff – with some help from the Brescome and MC-LEF crew – pulled it all together.

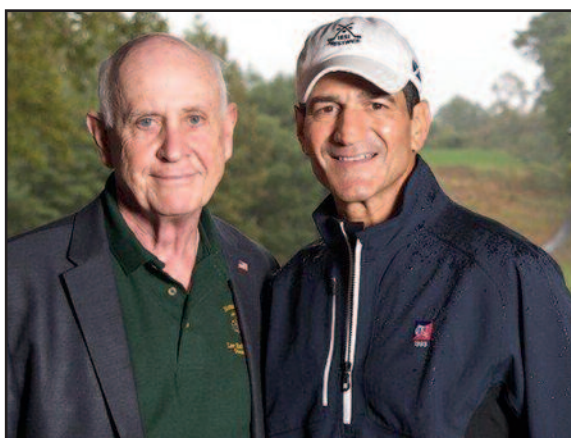

A delicious buffet dinner was enjoyed by all. After a welcome from Brescome Barton President and CEO, Gene Sepe, MC-LEF President, Ed Boran, was invited to address the guests. Ed gave an update on what MC-LEF has been doing and thanked the supporters. He then invited MC-LEF Chairman, Jim Kallstrom to the microphone. Jim was the keynote speaker and gave a heartfelt and well received talk where, he too, thanked the donors. A framed, autographed photo, taken from a Marine fixed wing, of the Twin Towers was presented by Jim, Ed and Gene to representatives from Diageo – the premier sponsor for the Brescome Barton outings for the past five years.

The photographer, Ben Cascio, served as a helicopter pilot in Vietnam and was awarded the Navy Cross. Ed and Jim went on to present Gene with a beautiful sculpture to thank him for his leadership and generous support of MC-LEF.

The last five years of outings has raised nearly a half a million dollars for MC-LEF! Ms. Mia Ginter of Brescome Barton was presented with a gorgeous vase filled with flowers to thank her for all her years of hard work running this great outing. We certainly didn't need the sun to feel the warmth of love, true generosity and support for military that rainy Monday!

MC-LEF awards Scholarships to Moats Children

On Friday January 27, 2017, the Maryville Police Department held a ceremony to allow for the presentation of scholarships provided by the Marine Corps - Law Enforcement Foundation to the three children of fallen Maryville PD and FBI TFO, Kenneth Moats.

The FBI was represented at the ceremony by FBI Knoxville Special Agent in Charge (SAC), Renae McDermott, Assistant Special Agent in Charge (ASAC), Pete Stoneham, Violent Crimes and Major Offenders (VCMO) Task Force Supervisory Special Agent Rich Calcagno, SSA Ed Waigand, and members of the VCMO Task Force to which Moat's was assigned.

Maryville Police Department was represented by Chief Tony Crisp, 2 Deputy Chiefs and several uniformed members of the department.

Representing the Blount County Sheriff's Office and the TN 5th Judicial Task Force was Chief Deputy Ron Talbott. Also present were two Chaplains from Knoxville PD and several members of the Maryville PD staff.

I was proud to represent MC-LEF at this ceremony. I will admit to being a little choked up when I saw Kenny's kids' faces as I explained to their Momma, Britteni what MC-LEF is all about and how their sacrifice did not go unrecognized by this fine organization. She seemed genuinely moved by the generosity of MC-LEF. The members of the Law Enforcement community who were present all expressed their gratitude that their fallen brothers' sacrifice had been recognized by MC-LEF.

MC-LEF PARTICIPATES IN THE 2016 MARINE CORPS MARATHON

The Marine Corps - Law Enforcement Foundation was very fortunate to have been approved as a participating charity in the 41st Marine Corp Marathon held on October 30, 2016. It gave us the opportunity to inform so many people about our mission to help the families of our fallen heroes who may not have heard about it before. Many thanks to the volunteers who worked in the MC-LEF booth.

Following, is some information needed for those who would like to participate in the 2017 Marine Corps Marathon.

Marine Corps War Memorial.

MARINE CORPS MARATHON TID BITS

The Marine Marathon started in 1976 and is limited to 30,000 runners. It is the 4th largest marathon in the USA and 9th worldwide. Participants hail from the all States and 50 other countries.

There is no prize money but approximately 432 awards are passed out based on gender, age, wheel chair time, hand cycle time, etc.

About 2000 marines and sailors support the event ensuring excellence in execution and tremendous on-course support, predicating the MCM being recognized as a world class running event.

The Marine Corps Marathon is aptly nicknamed the “Marathon of the Monuments.”

The USATF-certified 26.2 mile marathon course starts in Arlington, VA on Route 110 between Arlington National Cemetery and the Pentagon and the finish unfurls alongside

Arlington National Cemetery with a final up-hill challenge to the finish at the Marine Corps War Memorial!

There are Wheelchair, Hand cycle and runners who can participate in the 26.2 mile marathon. The runner start in 2016 was at 0755 – the wheelchairs and hand cycles started at 0740AM. A howitzer announced the official beginning for the runners at 0755. The course remains open until 3:10.

There are points designated along the way to reroute slower runners not maintaining the 14-min/mile requirements – off of the course. These folks do not receive finisher ribbons. There were 19,724 finishers for the 2016 Marine Corps Marathon.

A 10K race – only for runners with no wheelchair or hand cycle participants started at 0915. Law Enforcement

personnel were dispersed to augment the military personnel throughout the course and at the start and finish lines. The MCM course offers 10 aid stations throughout the 26.2 miles. Each aid station is equipped with Navy medical personnel and professional civilian medical volunteers.

DETAILS

The Marine Corps Marathon, commonly referred to as simply MCM, is a marathon held every year in Arlington, Virginia and Washington, DC. The course is certified by USA Track and Field. The purpose of MCM is to encourage physical fitness and healthy lifestyles, promote community goodwill, and demonstrate the organizational skills of the U.S. Marine Corps. Since being founded in 1976, the Marine Corps Marathon has grown to become the 4th biggest marathon in the USA and the 9th largest around the globe. The road race attracts 30,000 participants above the age of 14 from every single state, Washington DC, and more than 50 other countries. –

The 2016 Marine Corps Marathon was on Sunday, October 30th and was the 41st edition of the race. Since the race is limited to 30,000 participants, a lottery draw was hosted in March.

The MCM is the largest marathon in the world that does not offer prize money to its top finishers. Instead, the event is a celebration of every finisher's honor, courage and commitment to training for, and completing, the MCM. With more than 2,000 Marines and Sailors supporting the organization of the event, runners have come to expect excellence in execution of the event and tremendous on-course support, earning the MCM recognition as a world-class running event.

Beginning on March 24, 2016, runners registered for the Lottery on the MCM website. This opportunity concluded on March 30. Registration for the lottery does not guarantee an entry in the MCM. On March 31, those runners selected to fill the field were notified by email. If not able to register through the Lottery, runners could secure an entry through one of the MCM Charity Partners, such as

Manning the MC-LEF booth is (L-R) Chris Boran, (son of MC-LEF president, Ed Boran), Mike Uttaro and Mike McDevitt, both retired FBI.

MC-LEF, or by obtaining a transfer entry. A limited number of runners could register for the Marine Corps 17.75K, held on April 2, 2016. All finishers in this event receive a guaranteed entry into the 41st MCM.

A qualifying time is not necessary, however, all runners are required to maintain a 14-minute per mile pace.

In planning for the MCM, officials meet with all area police jurisdictions to enhance the safety of everyone involved at the event site and throughout the Marathon and MCM10K courses. Law enforcement will be present with U.S. Marines at the start, finish and along the course, and at key spectator points. Cooperation with security personnel and practices will aid in quickest access to the event site.

The MCM course offers 10 aid stations throughout the 26.2 miles. Each aid station is equipped with Navy medical personnel and professional civilian medical volunteers.

What is the course time limit?

The howitzer will fire at 7:55 a.m. officially starting the MCM. The MCM course will remain open until 3:10 p.m. All MCM participants must maintain a 14 minute-per-mile pace across the entire course.

Continued on the next page

MC-LEF PARTICIPATES IN THE 2016 MARINE CORPS MARATHON . . . *continued from page 21*

What is the Gauntlet?

MCM participants must reach "the Gauntlet" (Independence Avenue and 15th Street) by 12:38 p.m. MCM participants who do not make it through the Gauntlet will be diverted from the certified Marathon course to 14th Street and may continue running but will not complete the 26.2 mile course. These individuals will not be recognized as official finishers.

What is Beat the Bridge?

All MCM participants must reach the 14th Street Bridge by 1:15 p.m. Every participant will have 14 minutes-per-mile to meet this time requirement.

What awards are presented at the MCM?

The Marine Corps Marathon offers over 430 awards. Categories are: Overall, Overall Masters, Overall Seniors, Men and Women, age groups, Clydesdale/Athena weight classes, Wheelchair, Hand cycle, and Team Divisions.

What is the MCM Runners Club?

Any runner who has completed five or more MCMs can join the MCM Runners Club. There is no cost to join. Members receive a guaranteed entry for life to the MCM as well as appropriate 5, 10, 15, 20, 25, 30, 35-year patches as these plateaus are reached.

FINAL INSPECTION

The soldier stood and faced God,
Which must always come to pass
He hoped his shoes were shining,
Just as brightly as his brass.

Step forward now, you soldier,
How shall I deal with you ?
Have you always turned the other cheek?
To My Church have you been true?'

The soldier squared his shoulders and said,
'No, Lord, I guess I ain't.
Because those of us who carry guns,
Can't always be a saint.

I've had to work most Sundays,
And at times my talk was tough.
And sometimes I've been violent,
Because the world is awfully rough.

But, I never took a penny,
That wasn't mine to keep...
Though I worked a lot of overtime,
When the bills got just too steep.

And I never passed a cry for help,
Though at times I shook with fear.
And sometimes, God, forgive me,
I've wept unmanly tears.

I know I don't deserve a place,
Among the people here.
They never wanted me around,
Except to calm their fears.

If you've a place for me here, Lord,
It needn't be so grand.
I never expected or had too much,
But if you don't, I'll understand.

There was a silence all around the throne,
Where the saints had often trod.
As the soldier waited quietly,
For the judgment of his God.

Step forward now, you soldier,
You've borne your burdens well.
Walk peacefully on Heaven's streets,
You've done your time in Hell.'

Marine OWNS the NFL with BRUTAL Letter

By Allen West

Folks, I do not need to add a single word to this...other than it came to me through a retired military email network. You need to read it...

Commissioner,

I've been a season pass holder at Yankee Stadium, Yale Bowl and Giants Stadium.

I missed the '90 -'91 season because I was with a battalion of Marines in Desert Storm. 14 of my wonderful Marines returned home with the American Flag draped across their lifeless bodies. My last conversation with one of them, Sgt Garrett Mongrella, was about how our Giants were going to the Super Bowl. He never got to see it.

Many friends, Marines, and Special Forces Soldiers who worked with or for me through the years returned home with the American Flag draped over their coffins.

Now I watch multi-millionaire athletes who never did anything in their lives but play a game, disrespect what brave Americans fought and died for. They are essentially spitting in the faces and on the graves of real men, men who have actually done something for this country beside playing with a ball and believing they're something special! They're not! My Marines and Soldiers were!

You are complicit in this!

You'll fine players for large and small infractions but you lack the moral courage and respect for our nation and the fallen to put an immediate stop to this. Yes, I know, it's their 1st Amendment right to behave in such a despicable manner. What would happen if they came out and disrespected you or the refs publicly?

I observed a player getting a personal foul for twerking in the end zone after scoring. I guess that's much worse than disrespecting the flag and our National Anthem. Hmmmmm, isn't it his 1st Amendment right to express himself like an idiot in the end zone?

Why is taunting players not allowed yet taunting America is OK?

You fine players for wearing 9-11 commemorative shoes yet you allow scum on the sidelines to sit, kneel or pump their pathetic fist in the air.

They are so deprived with their multi-million dollar contracts for playing a freaking game! You condone it all by your refusal to act. You're just as bad and disgusting as they are. I hope Americans boycott any sponsor who supports that rabble you call the NFL. I hope they turn off the TV when any team that allowed this disrespect to occur, without consequence, on the sidelines. I applaud those who have not.

Legends and heroes do NOT wear shoulder pads. They wear body armor and carry rifles. They make minimum wage and spend months and years away from their families. They don't do it for an hour on Sunday.

They do it 24/7 often with lead, not footballs, coming in their direction. They watch their brothers carted off in pieces not on a gurney to get their knee iced. They don't even have ice! Many don't have legs or arms.

Some wear blue and risk their lives daily on the streets of America. They wear fire helmets and go upstairs into the fire rather than down to safety. On 9-11, hundreds vanished. They are the heroes.

I hope that your high paid protesting pretty boys and you look in that mirror when you shave tomorrow and see what you really are, legends in your own minds. You need to hit the road and take those worms with you!

Time to change the channel.

2016 LAKE LAS VEGAS MC-LEF ANNUAL GOLF TOURNAMENT

BY VERN JENNINGS

On Monday, October 31, 2016, the SouthShore Golf Club at Lake Las Vegas hosted the 10th annual charity golf tournament benefitting the Marine Corps – Law Enforcement Foundation. On a perfect day in Henderson Nevada, a suburb of Las Vegas, a full field of golfers took to the links and played in a scramble format. To kick off the event Marines from the 23rd Marine Regiment from Nellis Airforce Base presented the colors and SouthShore resident Sharon Sharp sang the National Anthem.

The 23rd Marine Regiment presents colors.

“This is the 10th consecutive sellout of our tournament,” said Mike Tobey, co-founder of the SouthShore MC-LEF Group and the driving force behind the annual tournament. “We have had a very loyal and generous following of this event since the very beginning.” Jim Sierk, also a former Marine and the other co-founder, passed away earlier in the year. Jim introduced Mike to the wonderful work MC-LEF does a decade ago and suggested the two partner to raise money for MC-LEF with a golf tournament. “Jim was a great friend, a true

Marine’s Marine and we will miss him very much,” Mike said.

Ed Boran presents Mike Tobey with a plaque dedicated to the honor of tournament co-founder, Jim Sierk, who recently passed away.

During the banquet following the tournament, we were honored to have Randy Sutton, National Spokesperson for BlueLivesMatter, speak to participants about the important role of law enforcement. Randy gave an inspirational talk on the importance of trust and support for law enforcement. “You are all heroes here, Randy Said. The contributions you all make as participants in this tournament are so important to all of us in law enforcement and the families who benefit from your generosity.”

Three other SouthShore residents worked with Mike Tobey to put together the event this year. Judy Crouch handles the accounting matters and from behind the scenes makes everything come together.

Valerie Treaster handles solicitation for many of the raffle and silent auction items and is a master at selling raffle tickets. Vern Jennings, coordinates activities with the pro shop and emcees the activities after the tournament during lunch.

This year’s tournament raised \$178,000 after expenses, and since the first tournament in 2005 has raised nearly \$1,200,000. “To augment the funds generated from the fees to play golf, there are a number of other fund raising activities that take place during the tournament, including a raffle, a 50/50 drawing, and a very popular silent auction,” said Vern Jennings, “but, the most entertaining activity has to be Mike Dobbyn, former World Long Drive Champion hit drives for players on the spectacular 11th hole.” Mike Dobbyn still holds the record for the world’s longest drive at 551 yards and has been a big supporter of the event at SouthShore. “I have to laugh when I see Mike hit drives to a spot where many of us would normally be hitting our third shots from,” Vern added. A large portion of the funds

Mike Dobbyn having some fun.

raised each year come from the raffle and silent auction. Business owners from the local Lake Las Vegas community as well as those from the greater Las Vegas area contribute items including dinners, hotel stays, golf, wine and more. “We always have some unbelievable auction items,” Mike Tobey said. “As an example, one of our very generous neighbors, donated the use of their fabulous 70-foot luxury yacht for a full week including crew, food and drink. The lucky bid winner of this auction item enjoyed sailing the Islands of the Caribbean without a care in the world.”

“I’m honored to be part of this event each year,” said Judy Crouch. “We can never do enough for the men and women in uniform who protect our way of life.” It is wonderful knowing that the work we do helps the children of these heroes,” added Valerie Treaster.

As has become the custom during this event, a herd of Bighorn Sheep (the Nevada State Animal) grace golfers with their presence on the 17th and 18th holes. “It has become a wonderful tradition,” said Mike Tobey. “It is always a treat for our players, many who have never seen these magnificent animals up close.”

Work is already underway for the 2017 tournament which will be held on November 13, 2017 at SouthShore Golf Club in Lake Las Vegas.
